

JKS Medical Services

Professional Event, On-Site
& Pre-Hospital Medical Cover

What We Do

- ✓ Event medical cover
- ✓ On-site and standby medical teams
- ✓ Pre-hospital emergency care
- ✓ First aid & patient assessment
- ✓ Medical planning & risk advisory support

JKS Medical Services provides safe, responsive, and proportionate medical support across a wide range of environments, including public and private events, educational establishments, industrial sites, and community activities. All services are delivered by appropriately trained and authorised personnel operating within clearly defined scopes of practice and robust clinical governance arrangements.
